How does it work at this camp?

Chording, strumming, finger picking and vocal harmony classes are held as assemblies. Many classes are offered at different levels. No experience required and you do not have to read music to attend! You can be a beginner, intermediate or advanced musician and still find classes that will be at your level! There will also be specialized workshops, morning prayer, and a whole bunch of other fun, collaborative activities. ***Our participants give our camp stellar reviews.....! We work hard to provide you with a fun and exciting week that builds you up both musically and as a person!***

Sessions on mandolin, banjo, rock guitar, electric bass, ukulele, fiddle, harmonica, vocal harmony, and other sessions are often incorporated into the program. Bring your instruments—you will be asked to focus on 2 instruments only during the week.

What kind of music will we play?

Music will include a variety of folk, golden oldies, rock, bluegrass, sacred, and popular songs. We like the same music you like!
